1938 PRICE LIST

Lone Tree Dahlia Gardens

TO ALL MY FRIENDS:—

It gives me great pleasure to send "Greetings" to all of you, in mailing you this modest little price list for 1938, and again, offer you many choice dahlias at very reasonable prices.

Again I wish to extend "Thanks" to all for their liberal patronage in the past and hope to hear from them again this season. I endeavor to maintain a reputation for fairness and to do a clean business, satisfactory to my customers. The past season has given us the finest crop of bulbs, for a long time, which should insure you excellent success with your bulbs the coming season.

Again thanking you and assuring you that your future patronage with me, will receive the same careful consideration I am

Respectfully,

Mrs. Cortis Ray

Member of Amer. and Ind. Dahlia Societies.

VISITORS ALWAYS WELCOME

You are cordially invited to visit our gardens and see the plants in full bloom. It is the ideal method of selecting your favorites for your own gardens the next season.

The best blooming time for Gladiolus is from July 15 on and for Dahlias from September 15 on to frost. We are located 3½ miles S-E of Greensburg on the Millhousen road.

GENERAL INFORMATION

Order Early. This will insure reservation of varieties that might be sold out later. Orders are booked and filled in order they are received. Shipments start April 15 and each day thereafter until close of season. If sold out of a variety, I will substitute another, as good or better, unless you state otherwise.

Other Varieties. Many other varieties are to be had, in limited quantities, both in smaller and larger dahlias, that space will not permit listing so if there is anything you wish, please write me, I may have it.

Larger Quantities. If interested in large amounts of any one variety, please write your wants for prices to be quoted. The usual trade discount is given to dealers.

Clumps at Digging Time. I issue no fall list so if you are interested in whole clumps, the price, in most cases will be twice the price of a tuber listed here. Customers paying either postage or express on same.

Catalogs Requested. I want my mailing list to consist of all "live" prospects so if you have not ordered from me in the past **two years**, yet want my catalog, please write for it. I am glad to send it to those interested. Price lists are ready by Feb. 1 each year, so if you do not get yours near that time, write for it.

Guarantee and Terms. All stock is State inspected and each shipment carries the inspection tag. All stock is guaranteed to be true to name, in first class growing condition and must be satisfactory. The size of a bulb makes no difference, small ones are equally as good as large ones if they have good live eyes.

All orders are cash. Orders \$1.00 and over are postpaid but those under \$1.00 customers add 10c for postage.

Planting Instructions. When your bulbs arrive, plant them in a box of moist sand or earth until time to plant in the garden. This will keep them from drying out. Transplant to an open location in rows making the hills 2 to 3 feet apart. Lay the tuber flat and plant about six inches deep. Cultivate often.

PREMIUM BULBS

To encourage early orders, I am offering free bulbs (your selection) to the amount of 25% of your order up to Feb. 15; 20% of your order to Mar. 15; and 10% of your order from Mar. 15 on to close of the season. In allowing you to select, what you already have will not be duplicated. **This cannot be taken as a cash discount.**

EXTRA SPECIAL PREMIUMS

In addition to the above premiums, if your order totals \$15.00, I will include free, a bulb of **California Idol**, an immense golden yellow, valued at \$2.50. For a \$12.50 order, I will include free, a bulb of **Murphy's Masterpiece**, a large deep red, valued at \$1.50. For a \$10.00 order, I will include a bulb of **Summer Sun**, a large peach colored dahlia valued at \$1.00.
